Indian Society for Training & Development

INTRODUCTION

ISTD has introduced a number of awards to recognize good work done in the field of Training and Development and thereby contributing to the rapid economic and social development of the country. One of the coveted awards is the National Award for Innovative Training Practices introduced in the year 1990.

OBJECTIVES

The event will provide a forum for participants to witness and listen to the selected presentations by organizations on the following unique features of their Innovative Training Practices so that organizations can stay ahead in the present competitive environment:

- Training Vision & Strategy
- Training Plan (2020 to 2022)
- Training infrastructure (Details of facilities and resources)
- Steps taken to align Training Strategies with organizational goals/business plan.
- Focus area of Training.
- Policy and Systems for Assessing Training Needs.
- Training Evaluation Policy Methods & Systems.
- Methodologies/Multiple training channels used for Training & Development of employees.
- No. of Trainings conducted (In-house) with no. of days of each programs and no. of participants (Executives, Non-Executives).
- No. of employees sponsored outside the organization for training (national/abroad)
- Specific Innovative Training Practices that organizations have initiated highlighting:
 - 1) Need that promoted this Practice
 - 2) Process
 - 3) Benefits accruing and how it was measured
 - 4) Sustainability
 - 5) Training feedback mechanism followed by the organization to evaluate training effectiveness.

The Program will include selected presentations by the participating organizations focusing on unique features of their Innovative Training practices adopted by them. The presentation will bring out innovation in the planning, design execution and development.

FOR WHOM

The event will be of immense value to senior and middle level management personnels, different business functionaries, academicians, consultants, students and researchers. They will benefit from the discussions stemming from analysis to the linkage between the varied models.
